

**WRITING FOR THE BELGIAN JOURNAL OF MEDICAL ONCOLOGY
(BJMO)**

In offering the manuscript entitled:

.....

Written by:

.....

Financial Disclaimer:

Please add a disclaimer regarding financial support received from any party in relationship with the content of the manuscript which influences the authors' opinion or editorial independence in the recent past or present. All authors are required to disclose financial aid or funding relevant to the subject and content of the manuscript or that may exist when an author has financial or personal relationships or affiliations that can influence (or bias) the author's decisions, work, or manuscript.

- *No financial support/aid has been accepted from any party.*

Or

- *Specify:*

Conflict of interest:

Please add a disclaimer regarding conflicting interests from any party in relationship with the content of the manuscript which influences the authors' opinion or editorial independence in the recent past or present. All authors are required to disclose potential conflicts of interests relevant to the subject and content of the manuscript.

- *The author(s) have nothing to disclose and indicate no potential conflicts of interest with regards to the contents of this manuscript.*

Or

- *Specify:*

Copyright:

The author(s) declare(s):

- that they transfer all copyrights with regard to the manuscript in the BJMO to the publisher, Ariez International B.V., Westzijde 22, 1506 EE Zaandam, The Netherlands;
- that all authors agree with the content of the manuscript;
- that the manuscript at hand was not simultaneously submitted for publication in another journal and that the manuscript was not previously published in its current form, unless a written consent was given by the publisher;

- that, in case of previously published manuscripts or illustrations, written consent was given by the publisher of the journal at hand to re-publish the manuscript in the BJMO (please enclose consent together with article);
- that in case pictures of patients are included in the manuscript, written consent was given by these patients (please enclose consent together with article);
- declare that they acknowledge the fact that the editorial board and the publisher are not responsible for the accuracy of the published data or for the potential disadvantageous results or damage attributed by using the presented diagnostic tools or treatment modalities;
- that they will request written consent of the publisher of the BJMO (Ariez International B.V., Zaandam) in case they want to republish a manuscript published in the BJMO in another journal.
